

JOIN OUR ADOPT-A-STOP PROGRAM

When you or your organization sign up to Adopt-a-Stop, you agree to help pick up litter and empty the COTA-provided trash receptacles at the adopted location. To show our gratitude, we'll recognize you with a special plaque at your adopted stop. This helps promote your organization or business within the community. We also provide all necessary materials for cleaning your stop.

Thanks to the efforts of individuals, organizations and businesses in our community, we keep our transit stops clean and safe.
